

2021 Savings Stamps Program

We have decided to expand the Savings Stamps Program! In 2021, you can “redeem” Savings Stamps for discounts beginning Tuesday, February 2!

How do I save? You save by “redeeming” the Savings Stamps. Redeem Savings Stamps by presenting the *printed* slip (see following pages) at the time of purchase. Under the Pecan Tree staff will mark the appropriate valid stamp and track that stamp as redeemed.

How many times can I save each month? From February through October, the maximum number of Savings Stamps you can redeem is four (4) per month -- one (1) stamp per active, noted time period. *The Savings Stamps program for November and December will be a little different.*

Why keep up with the printed Savings Stamp Slips? You'll earn **EXTRA BENEFITS!** Customers who redeem all valid Savings Stamps on a single monthly Savings Stamps Slip can exchange the *printed* slip for an EXTRA BENEFIT. Visit the store for information on that month's Extra Benefit. **Slips must be exchanged for the Extra Benefit no later than the 10th of the following month.** (This is why we do not retroactively mark stamps or combine slips.)

Our 2020 Savings Stamp Program was a huge success! From mid-October through December 24, 2020, our customers **SAVED** a combined total of **\$4,458.73...** just for carrying the piece of paper and redeeming Savings Stamps!

Do I carry the whole page 8.5 x 11" page or just the single month's slip? It's up to you. Fold it to carry the whole sheet or cut into monthly slips. Whichever is easier! And yes, we are hoping the *printed* slip will serve as a concrete reminder to *shop under the pecan tree!*

What if I lose my Savings Stamps Slip? You can reprint the Savings Stamps Slips via our website (underthepecantree.net) or via Facebook®. However, you are only eligible to redeem the remaining **unclaimed** stamps for discounts. We will NOT retroactively mark the stamps you may have already redeemed on the lost slip for the purpose of earning the Extra Benefits.

What if I find my lost Savings Stamps Slip? We will not combine slips for the purpose of earning the Extra Benefits below.

What if I forget to redeem my stamp during that stamp's active period? Savings Stamps will not be retroactively marked. You must present the *printed* Savings Stamp Slip at the time of purchase.

What if the store is closed for some reason? Should the store be closed for the **entire period** noted on a single stamp, that stamp will be considered invalid. If the store is closed for all stamp periods on the monthly slip, no Extra Benefit will be awarded that month.

THE SMALL PRINT

- Discounts are valid on regularly priced, in-stock merchandise
- Items excluded from the discount include *but are not limited to* Gift Cards, special order items, 2-for-1 items, and Alzheimer's Association benefit items
- Each customer may redeem a maximum of four (4) Savings Stamps per month: one (1) stamp per active, time period
- One discount per order/transaction (no friends or family stamp sharing)
- Customers are responsible for presenting the Savings Stamps Slip at the time of purchase
